Message

It gives me immense pleasure to share the news that BSNL Odisha is going to celebrate Vigilance Awareness Week from **27.10.2020 to 02.11.2020** with the theme "**Vigilant India, Prosperous India**". The main objective of this programme is to create awareness among the employees of BSNL against the potential threat of corruption in an organization.

Corruption is a grim socio-economic issue impeding the growth of any organization and society. Sometimes, inapt decisions not only harm the individual but also hinder the growth of an organization, thus leading to deterioration of the brand value of an organization. Hence all the employees should be aware of the rules and regulations in order to make BSNL a vibrant and prosperous organization.

On this occasion, I appeal all the employees of BSNL Odisha to uphold integrity and transparency in their activities for all round development of BSNL.
